My dear little children, praise be Jesus!

Little ones, in these days where evil forces are trying to cause confusion and division, it is

My desire to help you.

I come to you to proclaim the Truth of Jesus your Savior.

Your focus and attention needs to be fully on God.

You need to pray daily and be aware of His merciful Love in all you do.

God must be at the center of your life, in all your activities, in your plans, in your thought process and in your heart.

Beware of the evil subtleties currently in your midst.

Your future is being molded to surround a monetary system.

Be alert to a cashless society developing around the world and the forces of power which will manipulate and ultimately restrict your freedom.

If you pray you will be able to discern what is of God with a clear mind.

If you do not return to God now and allow Him to open the vessels of your heart clogged by deceit and self righteousness, you will not be able to avoid the traps of evil.

Do not wait until God's "warning" strikes the souls of every person in this world for it will be very difficult to respond and change. Please respond now to God's call.

There will not be much time after God's "warning" for the fire of purification to befall you. Some events are inevitable.

Pray with all your hearts that you will be able to persevere in your faith and not turn from God.

Receive the sacraments while they are available.

Pray. Pray. Pray little children and ponder God's Mercy.

I bless you and take your petitions to God.

Peace is what I desire for you.

Thank you for responding to my call.

AD DEUM.
